Lori!!
What an amazing night we had! I cannot thank you enough for all the help you gave us in making Julies graduation party a spectacular success! Your input and experience were invaluable to us!!! Your team of bartenders and party pals are more than we could have hoped for! They took care of EVERYTHING beginning to end. I hope they got to hear some of the many compliments we received for their work. The texts just keep coming about the great night we had for Julie!! The only trouble is now I feel I need to do it again knowing I have NOTHING to worry about before the party!
THANK YOU THANK YOU THANK YOU!! It was a special night for our family!

You're team was spectacular! The party could have used 2 helpers but Melinda worked very hard to keep on top of it all as best she could. Our guests also turned out to be in a drinking mood, and Arthur was superb. Thanks again! Nava

Spunky Spirits provided two bartenders and drinks for our community Luau with over 150 attendees. The event was a huge success and their bartenders were excellent! I received countless compliments from residents about how friendly and fast they were. Not to mention they got soaked unloading the supplies in the rain but didn't let that damper their mood.

Loved Dane and Ashley. I definitely recommend Spunky Spirits to anyone needing bartending services!"

"Lori is a pro in the bar business! She helped me create a bar menu for a themed 40th birthday party and my friends were so impressed with the yummi mix of martini cocktails. Her team is talented, SPUNKY, professional and above all they make awesome signature cocktails! My party was such a hit that two of my girlfriends have hired Lori for their special events. I never knew that I could hire a professional bar service to come into my home and do all the work for me; what a gift! Definitely worth the investment and my company is using her for our yearly sales event. FIVE STARS!" Liz M.

CHEERS

"Spunky Spirits was one of many local vendors that donated their services in help to put together our dream wedding with "Mission I Do" at Old Mickey's Farm in Odessa. They donated their services completely free to us and did an amazing job serving our guest and keeping up with our requests. Ambrel was the sweetest bartender! I would recommend them to anyone as a professional service that will meet any needs." Jacob L

"We just wanted to thank-you, your bartender Luke and his assistant, for an amazing experience! Luke was very nice to all our guests, his service was top-notch, and everything looked great. We could not be happier with the way things worked out, and we are so glad we 'found' you. I really don't think things would have ran so smooth at our wedding if it were not for Spunky Spirits. We look forward to working with you in the future at our next party." Jen and Marco

CHEERS

"Spunky Spirits provided the bar service for my wedding of 170 guests seamlessly. My wedding was held at a private residence which didn't present a problem for SS who were full service, even down to bringing their own ice! From the beginning they were professional, very responsive, and way more affordable then other bar services. Our guests loved SS specialty drinks and the fact that the bartenders remembered their drink of choice upon return trips to the bar. SS even accommodated our addition of a "home brew" beer on tap. I would highly recommend them for any event! Devin, Tampa"
